## JENKINS MARINE

Specialised Workboats & Barges

*Ursa* is a twin-screw motor tug, certificated under the MCA Workboat Code of Practice for operation up to 60 miles offshore for mobilisations, and up to 20 miles from a safe haven for general operations. Built by Delta, she is of a proven robust design. She is available for towage, and specialises in ploughing as a dredging support service throughout the UK & North Europe.

<b>Length</b>	15.30 m	<b>Propulsion</b>	2 x FPP in fixed nozzels
