Doreen Dorward

JENKINS MARINE

Commercial Work Boats & Barges

Doreen Dorward is the perfect partner for most near shore marine civil engineering applications. Essentially, a self-propelled spud leg pontoon with comfortable mess and office facilities, it's versatility is due to a large clear deck incorporating a well & moon pool. Combined with excellent manoeuvrability, shallow draft and low fwd. freeboard, this vessel is ideal for dredging, piling/lifting, site investigation, bulk deck cargos or loading/unloading equipment from beaches.

Certification	MCA VIII A	Spud Legs	3 x 15m 762Ø
Moulded Length	30.48 m	Moon Pool	Ø 914 mm
Moulded Breadth	9.14 m	Propulsion	360°rudder propeller
Moulded Depth	2.13 m	Main engines	2x150 hp
Draft (Light)	1.00 m	Generators	1 x 65 KVA & 45 KVA
Draft (Loaded)	1.39 m		
Deadweight	166.4 tonnes
