

JML30

JENKINS MARINE

Specialised Workboats & Barges

JML30 is a swim-ended, rectangular, flat top deck cargo barge. It has two spud legs for precise position holding, a shallow draft, suitable for working in close to shore and a large deck load capacity, for bulk cargoes such as rock or heavy plant.

Length	30.0 m	Cargo Capacity	500 t
Beam (Hull)	11.2 m	Spud Legs	2 x 14m
Depth	2.5 m	Gross Tonnage	208
Draft (Light)	0.4 m	Deck Load (max)	6 t/m²
Draft (Loaded)	1.90 m	Class	BV Unrestricted Navigation
