JML 60

JENKINS MARINE

Commercial Work Boats & Barges

JML 60 is a multi-purpose, shallow draft, flat-bottomed barge. It has two 12m spud legs, for precise position holding, and a central 'moon pool', (ideal for drilling). JML 60 is heavily built, with thirty separate compartments, providing secure buoyancy, ballasting facility and strength. It also has a scow end for increased speed through the water.
