### JML 6022

**JML6022** is a swim-ended, rectangular, flat top deck cargo barge. It has four 25t capacity deck winches and 5t anchors for precise position holding in deep water, a shallow draft, suitable for working in close to shore and a large deck load capacity for bulk cargoes such as construction materials or heavy plant.

<b>Length</b>	<b>60m</b>	<b>Deck Winches</b>	<b>4 x 15t</b>
<b>Beam (Hull)</b>	<b>22m</b>	<b>Deck Strength</b>	<b>10 - 15t/m<sup>2</sup></b>
<b>Draft (Light)</b>	<b>0.63m</b>	<b>Propulsion</b>	<b>Dumb</b>
