JML JET

JENKINS MARINE

Specialised Workboats & Barges

JML JET is a highly manoeuvrable, single-Jet workboat, ideal for crew/support duties, survey work, dive support, or simply as a working platform. This vessel is provided with MCA Cat. 3 Workboat Code of Practice certification, and has all the required safety equipment. It has a capacity of up to 12 persons including crew, and has basic welfare facilities on board.
